## INTERNATIONAL ROAMING

Roaming is defined as the ability for a cellular customer to automatically make and receive voice calls, send and receive data, or access other services, including home data services, when travelling outside the geographical coverage area of the home network, by means of using a visited network. Roaming calls in Europe (EU) and Overseas French Departments are partly included in the plans, then billed per second after the first indivisible 30 seconds based on the per minute rates below. Roaming calls in other zones are billed per minute. Incoming calls are billed by the second from the first second. Incoming texts & MMS are free while roaming. Data is cut-off after €30 while roaming in the EU.

	Calls		Texts	MMS	Data

## OPTIONAL SERVICES PRICE LIST

### Holiday Break ..... €2.50 per month

The Holiday Break feature is activated on request on the first day of the month following your request. During the Holiday Break period: you do not benefit anymore from your plan as well as you do not pay for it. Should you place calls or send texts, you will be charged at unit price (on the 'usage exceeding plan' rates basis). From abroad, roaming rates apply, see the international roaming section for price. To get back to the former calls + SMS plan, you just have to request it by phone or mail, and it will be apply on the first day of the month following your request. The Holiday Break option does not comply with the EU Roaming calls included in the plans, i.e., if you activate the Holiday Break option you will no more benefit from the EU Roaming plan minutes.
